 erly cared for beats the California
 production in flavor and quality.
 Gardner takes care of his own
 herd, and all meat coming from
 his market is bound to be tender
 and sweet. s18tf

Meat immediately after being
 slaughtered is never tender and
 should be kept a day or two. In
 order to have it fresh after the
 expired time it should be kept in
 a cool place. M. C. Gardner sells
 meat both tender and fresh, as it
 is always surrounded by ice at a
 freezing temperature. s18tf

HOW CAN PARENTS—Allow their
 children to cough and calmly say:
 "Oh! its only a little cold," and
 keep giving them cheap medicines,
 until they are down with lung fe-
 ver or consumption, when they
 can be so easily relieved by using
 BEGG'S CHERRY COUGH SYRUP?
 It has no superior and few
 equals. W. H. Chedie, Druggist.
 COUGH! AND COUGH! AND COUGH!

 you will cough and keep coughing
 and still keep trying inferior medi-
 cines when BEGG'S CHERRY
 COUGH SYRUP will positively
 relieve your cough at once? This
 is no advertising scheme, but an
 actual fact, and we guarantee it.
 W. H. Chedie, Druggist.

Enforcing the Lottery Law.

On Sunday morning the Mail
 Clerk in the Newspaper Depart-
 ment of the Postoffice discovered
 that on the eighth page of the
Examiner was the list of prizes
 drawn recently at the fruit and
 flower festival held in Woodward's
 Gardens by the ladies of St. Jo-
 seph's Parish, for the benefit of
 the Youths' Directory. Although
 it was a lottery for charitable pur-
 poses, the clerk considered that
 he had no right to forward the
 packages, and so held them back
 and sent for Assistant Postmaster
 Quinn. The latter soon arrived,
 and upheld the clerk's actions.
 Shortly after, Postmaster Backus
 was notified, and he also said that
 what was done was in conformity
 with his wishes.

A Line of Air Ships.

The *Chicago Times* says that a
 syndicate of Englishmen and
 Americans have been in session
 here for several days and will file
 a certificate of incorporation of
 an aerial ship company, with a
 capital of \$20,000,000. The paper
 adds that its feasibility has been
 fully demonstrated and that im-
 mense works will be at once erect-
 ed and the building of air ships
 and cars begin. The first will be
 ready inside of sixty days; that it
 will be perfectly controllable, and
 that with it the trip around the
 world can be made in five days.

A Church Stanchion.

I don't want to put too much
 piety into this letter, said Arthur
 McEwen in a recent letter to the
Virginia Chronicle, but I heard a
 rather good little story about ex-
 Senator Fair the other day. The
 Senator is now one of the stan-
 chions of Grace Episcopal Church,
 but in the old "omstock" days his
 mind did not dwell much on spiri-
 tual things.

Fair as a stanchion of the
 Episcopal or any other church is
 good. A man of Fair's wealth is
 always well received in a church
 of any denomination and his
 record along with him.

Just in Time.

The APPEAL rises to acknowl-
 edge the receipt of a ten gallon
 keg of Shramberger wine from
 the vineyard of Jacob Shram-
 Helena, Cal. It is that delightful
 brand of white wine that has
 made the Shram cellars famous
 all over America. A gallon of
 this delicious stuff does not con-
 tain a single headache, and it
 came just in time to drink to the
 Republican primaries.

Bartine Back.

Congressman Bartine returned
 to the city yesterday morning and
 put in most of his time handshak-
 ing and accepting the congratu-
 lations of his friends irrespective
 of party, who approved of his
 course in defending the interest of
 his State in Congress.

He will enter the campaign in
 good health and spirits, and be
 elected by an even larger majority
 than before.

McMahon's Show.

McMahon's circus drew a large
 audience yesterday afternoon and
 evening. The circus is all wool
 and a yard wide.

They have first class performers
 and a fine lot of stock. There
 is less faking and more real good
 work than most circuses present
 to the public.

At the Mormon conference at
 Salt Lake Sunday, George Q. Can-
 non said the Saints would obey
 the laws, bow in submission to the
 nation's will and leave the conse-
 quences with the Lord. Presi-
 dent Woodruff's official declaration
 forbidding in the future any mar-
 riages in violation of the law,
 was read, and the congregation,
 numbering 10,000 persons, includ-
 ing the apostles, bishops and
 leading elders of the church, by a
 unanimous vote, recognized the
 authority of President Wood-
 ruff to issue the manifesto and ac-
 cepted it as authoritative and
 binding.

The above is only a blind to
 hoodwink the outside justice.

Leland Stanford in an interview
 recently remarked: "The people
 of California know Mr. Hunting-
 ton and they know me." To
 which the *Daily Report* replies:
 "Yes, Mr. Stanford, we know the
 pair of you."

Mr. Brule is complaining that
 some one is stealing lumber from
 Spomer's four mile flume and that
 he will cook somebody's goose if
 the practice is not stopped. He
 also advertises to that effect.

People who go over the Jacks
 Valley road complain that it is in
 a very bad condition because of
 the neglect of the Douglas County
 Commissioners to keep it in re-
 pair.

WHAT ON EARTH—is the reason
 people will not, cannot, or do not
 see any difference in cheap nos-
